School Life Conversation Starters

Print and cut out these school life conversation cards and enjoy in the run up to school or as an after school activity. To turn into a game, take turns to pick up a card and answer the question.

What's the best thing about your teacher?

Which subject do you wish lasted all day long?

What's your favourite part of the school day?

What's your least favourite part of the school day?

What is your favourite lunch to eat at school?

Who sat next to you at lunch today?
What did you talk about?

Which games did you play at break today?

If you could only have one teacher who would they be?

What did you read in class today?

What was the hardest thing you had to do today?

Can you tell me something you learned today?

Which class do you think is too easy?

Which class do you think is too hard?

Did anything make you laugh today?

Were you kind to somebody today?

What are you looking forward to at school tomorrow?

Did you help anyone today?

What was the hardest rule to follow today?
